Tuesday 27th September 2011

Dear Mr Hepworth

I would like to take this opportunity to thank you and your association for the ongoing efforts and support for us here at the PDSA in Leeds.

I am aware that we have benefited from your generosity for several years and I know that your fundraising efforts are a regular activity within your association for which we are extremely grateful

We are always very grateful for contributions towards our costs which will enable us to continue providing a valuable service to our clients in Leeds

PDSA is funded entirely by the generosity of people like yourselves so that the less fortunate among us can also enjoy the companionship and joy that a domestic pet brings, while ensuring that their welfare is taken care of in the event of sickness or injury.

Yours Thankfully,

Mr James Funnell
